OBSTETRICS & GYNECOLOGY

Volume contents

Volume 55 (1994)

Eighth Meeting EAGO, Ljubljana, Slovenia

Foreword *by M. Hren-Božič* 1

1. History of medicine in Slovenia with a special regard to the Ljubljana School of Obstetrics and Gynecology
by L. Andolšek (Slovenia) 3

Plenary Session 1 — Cervix during pregnancy and labor
Chairpersons: C. Sureau (France) and M. Pajntar (Slovenia)

1. The forces of labor, resistance of the cervix and the contractions of the myometrium
by U. Ulmsten (Sweden) 5
2. Connective tissue changes related to cervical maturation
by N. Uldbjerg (Denmark) 8
3. The smooth muscles of the cervix in labour
by M. Pajntar (Slovenia) 9

Plenary Session 2 — Early diagnosis of fetal anomalies
Chairpersons: A.R. Genazzani (Italy) and V. Cerar (Slovenia)

1. Molecular biology and prenatal diagnosis
by J.-C. Kaplan (France) 13
2. Screening for Down syndrome in the second trimester of pregnancy
by C. Legum, M. Glassner, H. Peretz, A. Yaffo, G. Yedwab, R. Amster, Y. Sagai (Israel) 15
3. Medical geneticist and the abnormal fetus
by N. Canki-Klain (Slovenia) 17

Plenary Session 3 — Cervical carcinoma in young women
Chairpersons: G.M. Savelyeva (Russia) and J. Kovačič, (Slovenia)

1. Cervical carcinoma in young women
by S. Rakar, J. Kovačič, M. Čavič, A. Štolfa, M. Gergolet (Slovenia) 19
2. Surgery as a general management of cervical carcinoma in young women
by A. Onnis, M. Marchetti (Italy) 21
3. Epidemiological features of cervical carcinoma in young women of Slovenia
by V. Pompe Kirn, N. Volk (Slovenia) 23
4. HPV genotype as a prognostic factor for progression to cervical carcinoma in young women
by P. Kenemans (The Netherlands) 24
5. Treatment of precancerous lesions of the cervix in young women
by E. Diakomanolis (Greece) 26
6. Detection of human papillomaviruses (HPV) 16 and 18 in cervical smears by in situ hybridisation
by M. Eržen, J. Marin, M. Uršič-Vrščaj, A. Možina (Slovenia) 28

Plenary Session 4 — Polycystic ovarian disease
Chairpersons: M. Seppälä (Finland) and H. Meden-Vrtovec (Slovenia)

1. PCO — from basic science to clinical practice
by Z. Blumenfeld (Israel) 29
2. The choice of treatment for clomiphene resistant anovulation associated with polycystic ovary syndrome
by R. Homburg (Israel) 31
3. PCO and endometrial adenocarcinoma
by S. Cianci (Italy) 32

Obstetrics and Prenatal Diagnosis

Renal electrolyte and water handling in normal pregnancy: possible role of endothelin-1
P. Tamás, S. Worgall, E. Sulyok, W. Rascher (Hungary; Germany) 89
The prognostic value of magnetic resonance imaging for the management of breech delivery
R. Berger, E. Sawodny, G. Bachmann, S. Herrmann, W. Künzel (Germany) 97
Plasma levels of β-endorphin and ACTH during labor and immediate puerperium
M.C. Fajardo, J. Florido, C. Villaverde, C.M. Oltras, A.R. González-Ramirez (Spain) 105
Oral sustained-release ritodrine as a substitute for prolonged intravenous tocolysis
O. Gemer, E. Sassoon, S. Segal (Israel) 109
Monofetal death in multiple pregnancies: risks for the co-twin, risk factors and obstetrical management
P. Gaucherand, R.C. Rudigoz, J.M. Piacenza (France) 111

Gynecology and Oncology

Excretory profile of inhibin-like peptide (ILP) during human menstrual cycle: a probable marker for determination of fertile period
I. Khatkhatay, M.P. Desai, A.R. Sheth (India) 117
A randomized, comparative study of a single oral dose of fluconazole versus a single topical dose of clotrimazole in the treatment of vaginal candidosis among general practitioners and gynaecologists
A.M. van Heusden, H.M.W.M. Merkus, R. Euser, A. Verhoeff (The Netherlands) 123

Reproductive Biology

Tubular proteins and enzyme content in the amniotic fluid
E.M. Padovani, V. Fanos, M. Mussap, M. Plebani, A. Burlina (Italy) 129
The ductus arteriosus, pre- and post-ductal oxygen saturation measurements in fetal lambs
R. Nijland, H.W. Jongsma, J. Crevels, J.J.M. Menssen, J.G. Nijhuis, P.P. van den Berg, B. Oeseburg (The Netherlands) 135

HIV Infection

Risk identification for HIV infection in an inner London antenatal population
J. Hawken, T. Chard, K. Costeloe, D. Jeffries, K. Grant, C. Hudson (UK) 141

Case Report

Is there an increased risk for tumor dissemination using ultrasonic surgical aspiration in patients with vulvar carcinoma?
P.A. van Dam, M. Coppens, A.T. van Oosterom, E. Van Marck, P. Buytaert (Belgium) 145

Letter to the editor

Accidental cardiopulmonary arrest following magnesium sulphate overdose
D. Rabinerson, A. Gruber, B. Kaplan, M. Royburt, J. Ovadia (Israel) 149

Review Article

Ovarian hyperstimulation syndrome (OHSS): how much do we really know about it?
M. Tsirigotis, I. Craft (UK) 151

Regular Papers

Obstetrics and Prenatal Diagnosis

Hyaline membrane disease in black newborns: does fetal lung maturation occur earlier?
P.-Y. Robillard, T.C. Hulsey, G.R. Alexander, M.-P. Sergent, F. de Caunes, E. Papiernik (France; USA) 157
Effects of labor and delivery on fibrinolysis
H.A. Bremer, E.J.P. Brommer, H.C.S. Wallenburg (The Netherlands) 163
Leucocyte count and leucocyte differential in smoking and non-smoking females during pregnancy
P.E.A.M. Mercelina-Roumans, J.M.H. Ubachs, J.W.J. van Wersch (The Netherlands) 169
Risk factors at delivery and the need for skilled resuscitation
L. Kroll, L. Twohey, P.E.F. Daubeney, D. Lynch, D.A. Ducker (UK) 175

General Gynecology and Oncology

Controlled comparison of Interceed and amniotic membrane graft in the prevention of postoperative adhesions in the rabbit uterine horn model
M. Arora, K.A. Jaroudi, C.J.C.M. Hamilton, F. Dayel (Saudi Arabia; The Netherlands) 179
Emergency surgery in gestational trophoblastic tumours
F. Flam (Sweden) 183

Infertility and Endocrinology

Influence of the ovary on parameters of LH secretion during the recovery from buserelin-induced desensitization
A. Cano, R. Aliaga, C. Puértolas, M. Tortajada, C. Armero (Spain) 187

Reproductive Biology

Primate parturition and the role of the maternal circadian system
M.B.O.M. Honnebier, P.W. Nathanielsz (USA) 193

Case Reports

Struma ovarii with pseudo-Meigs' syndrome: report of a case and review of the literature
S.S. Amr, A.A. Hassan (Saudi Arabia; Jordan) 205
Autoimmune haemolytic anaemia during pregnancy
C.E.M. Benraad, H.A.J.M. Scheerder, M.A.M. Overbeeke (The Netherlands) 209
